**Ministry of Culture, Sports and Youth Affairs**

**Notification**

**Islamabad, the 5<sup>th</sup> December 2005.**

S.R.O.1249(I)/2005.—In partial modification of this Ministry's notification No.F.9-(46)/2000-S-I dated 17<sup>th</sup> August 2002, and in pursuance of the Cabinet decision in case No.99/10/2005 dated 21<sup>st</sup> July 2005, the Federal Government is pleased to make the following revisions in the National Sports Policy:--

**Revised National Sports Policy 2005**

1. This policy aims at promoting sports in the country by developing sports at grass root level. The declining standards of sports in the country has deeply concerned the government to take remedial measures and bring about changes which may remove flaws and bottlenecks for smooth functioning of the sports institutions and revive the booming past of sixties. In the present set up Pakistan Sports Board, Pakistan Olympic Association, National Sports Federations, Provincial Sports Boards, Associations, departments and educational institutions are main sports organizing agencies. Sports at tehsil and district levels are mere formalities and at times not held at all. The sporting facilities in the Provinces are also not up to the mark. Very few stadiums or gymnasiums with proper facility exist in the country. Federations

have their own constitutions and do not at times abide by the provision, perhaps due to hegemony of influential office bearers who have been occupying positions in the Federations for decades. Departments have played a vital role in recruitment of players, and keeping the sports traditions alive in the country. We salute them. The educational institutions which are supposed to be sports nurseries almost ceased to produce talented sportspersons who could replace our aging stalwarts. All this has necessitated in looking inwards, and finding a solution to our declining standards in sports.

2. **Mission Statement:-** The policy aims at promotion of sports at grass root level, enhancing public affiliation with the teams, ensuring all tournaments originate from inter-club level and culminate at the national level.

3. **Sports Policy:-** The policy envisages initiating sports at grass root level. The people of Pakistan have almost lost interest in games organized at national and provincial levels, due to poor standard of Sports. Besides other measures proper formation of genuine clubs on area basis is essential. The criteria for registration of a club will be enunciated by each sporting National Federation. Clubs in a tehsil/district must also register with the Sports Officer of the Provincial Government deputed in tehsil/district or equivalent administrative area for scrutiny, financial help and utilization of Government sporting facilities, where necessary. This will bring in mass participation and also help improving our sporting abilities. This will also provide an opportunity to our young sports persons to rise upwards and eventually be part of national teams.

4. **Games selected for Club based Tournaments:-** The Policy of holding Club based tournaments will be applicable to all the National Sports Federations, formed on club basis and affiliated with Pakistan Sports Board.
